Assessment Update

Updates:

- ISTEP+ Reporting
 - Data provided to State Board for review
 - Embargo lifted following this meeting for public access
 - Released to Compass and Learning Connection
 - Open ended items not publicly released following rescore process until 2018
 - Supports transition to ILEARN to ensure depth of item pool to release items in new platform
 - Supports development of breach form to ensure valid assessment opportunities to classrooms, schools or corporations with a significant issue or irregularity

Updates:

- IREAD-3 Final Reporting
 - Available for October 4 meeting

Alternate Assessment RFP

- Under final stages of development
- Based on ILEARN as a model to ensure a cohesive system
- Upcoming State Board review
- Request approval for release during October 4 meeting
